

Cast Party Update:

A reminder that this year's cast party will take place on Sunday, February 24th, 2008 after the final performance of OOTI (cast party begins after all things associated with the musical are cleaned up and put away- Everyone is expected to help- approximately 5:00pm – 8:00pm)

Thank you to those who have already gotten their forms and additional money back to us.

I have asked this year that everyone who is planning to attend, return the reservation form so that we may plan the party properly for the number of people who will be attending. Cast, Tech, Pit and Production crews please fill in student's name and the upper right hand corner of the return portion- check N/C- no charge if you were included as the one person that was paid for in the initial family fee. Then fill in any additional persons (cast, crews or guests) that will be attending and return the form and any additional money where necessary to Mrs. Davidson no later than Friday, February 15th.

There are extra forms outside Mrs. Davidson's room if you need them. Any questions, please call Genny Bachmann at 663-6031.

Thank you,
Genny Bachmann
